WHY A REGISTERED, AUDITED SUPPLIER MATTERS

- CAC-registered (RC 1765170) and tax-compliant (TIN 2521410923133) — onboard us as a formal vendor.
- Bank-only payments — no cash; entry, approval and reconciliation separated by role.
- Audit-grade, hash-chained records on money and stock — tamper-evident by design.
- NDPR-aligned data protection. Self-service portal for your orders, invoices and statements.

THE COJUDE PARTNERSHIP DIVIDEND

Long-term partners share in what they help build: after our yearly audit, qualifying organisations and communities enter an annual giving cycle — scholarships for nominated students, an honour to the head of the institution, and community grants. There is always a reward for doing business with COJUDE.
